

Authorization for use of the CIPM MRA Logo

I, Dr Martin J.T. Milton, Director of the International Bureau of Weights and Measures (BIPM), on behalf of the International Committee for Weights and Measures (CIPM), hereby authorize Force Technology, Vejen (Denmark), to display the CIPM MRA Logo in their calibration and measurement certificates covered by Calibration Measurement Capabilities (CMCs) published in the BIPM key comparison database (KCDB).

This authorization for use of the CIPM MRA Logo is given on condition that Force Technology fully applies the conditions detailed in the policy CIPM MRA-P 11, Appendix A and could be revoked upon breach of any of the provisions set out in the afore-mentioned policy. As said in CIPM MRA-P 11, the authorization is granted as a non-exclusive right and remains valid as long as the institute fulfils all the conditions of the CIPM MRA as evidenced by the continued publications of its CMCs in the KCDB.

A circular stamp with the text "Bureau International des Poids et Mesures" around the perimeter. Overlaid on the stamp is a handwritten signature in blue ink, which appears to be "M. Milton".

Dr Martin J.T. Milton
Director of the BIPM
